PROFESSIONAL EXPERIENCE

Product Manager **March 2022 - August 2023**
Mastercard *Remote*

- Successfully **onboarded issuers/affiliates** into the new **cloud-native, multi-API** product at an improved rate of over 50 per week, marking a significant improvement from the initial rate of 10 per week.
- Collaborated with users and cross-functional teams to gather requirements, define & track **Key Performance Indicators (KPIs)** and critical **Product Analytics** metrics, aligning Product strategy with business objectives.

Data Analyst **December 2023 - Present**
Golden Gate University *San Francisco*

- Developing and deploying **dynamic reports** and **interactive dashboards** using Pandas, SQL, and Tableau, enabling data-driven decision making in real-time for senior leadership.
- Designed and implemented predictive models using Python and scikit-learn, significantly improving **strategic planning by forecasting trends** and outcomes with high accuracy, enhancing overall performance and outcomes.

Business Analyst **November 2019 - March 2022**
HSBC *Remote*

- Implemented 2 Digital Transformation projects **concurrently** (Payment Engines of key regions - UK & Saudi Arabia) for HSBC.
- Executed **SQL analysis** to pinpoint and devise strategies for **customer data** and **business rules** impacted by the transition, ensuring minimal disruption and optimal **data integrity**.

Software Engineer **November 2017 - November 2019**
Lloyds Banking Group *Hyderabad, India*

- Utilized Java and **Oracle SQL** to analyze and process **high-volume, diverse** SWIFT messages, significantly enhancing **data query efficiency**, enabling effective **reporting**, ensuring **scalable** processing, and boosting overall **system performance**.
