SUMMARY

Hands-on AI PM with a 0-1-N track record turning LLMs, RAG, and agentic systems into adoption-ready products. I drive eval-first roadmaps, guardrails, and craft pricing that aligns value with unit economics.

PROFESSIONAL EXPERIENCE

AI Product Manager Feb 2025 - Present
Majorly: AI-Powered Career Coaching Platform San Francisco, CA

- Led a cross-functional team to launch a real-time speech-to-speech interview simulator, addressing market gaps in chained STT->TTS, resulting in **+20% WAU** in 6 weeks and **converting 5 pilots** to paid.
- Defined the roadmap and led the launch of a GenAI career-planning recommendations and interview-readiness suite; weekly adoption rose from **24% to 52% across paying orgs** (Feb-Jul 2025).
- Incubating a ‘Cursor for Marketers’ B2B tool (new product line) that auto-updates product messaging (including sales enablement); piloting with 4 teams to reduce update time and content drift.

AI Product Manager Sep 2024 - Feb 2025
AD GenAI Consulting: Founded & scaled to 3 cross-industry clients (VC/FinTech/EdTech). San Francisco, CA

- [SowFin](#) (CFO Copilot): Ideated and launched an on-premises AI data visualization assistant via fine-tuned SLM to satisfy clients’ privacy and cost constraints; **secured 6 paid pilots** (40% of interviewed).
- [SprintFit](#) (VC analysis tool): Automated pitch-deck review to extract key business signals and generate standardized scorecards for founders (RAG + agentic pipeline), cutting **VC screening time by 70%** and **securing 3 VC partners**.

Product Manager Sep 2021 - Sep 2023
Mastercard Chennai, India

- Scaled Issuer onboarding on Mastercard’s new configuration setup platform **by 5x (10 to 50+ orgs per week)**, by instrumenting product analytics to surface drop-offs and removing bottlenecks in the customer journey.
- Aligned 15+ global stakeholders on a unified roadmap for low-friction partner onboarding and profile configuration, then led a 9-person cross-functional team to deliver iterative releases using Agile practices, achieving a **85% CSAT**.

Earlier Career:
Business Analyst, HSBC Nov 2019 - Sep 2021
Software Engineer, Lloyds Banking Group Nov 2017 - Nov 2019

EDUCATION & CREDENTIALS

M.S. in **Business Analytics** Golden Gate University (Sep 2023 - Sep 2024)
• Data Scientist (PT): Built Python (scikit-learn) models & SQL/Tableau dashboards for enrollment & retention analytics.

B.E. in **Computer Science** Anna University (Aug 2013 - Aug 2017)
